Availability of Prescriptions

Prescriptions are available from this practice.

You may obtain Prescription Only Medicines Category V (POM Vs) from your veterinary surgeon *or* ask for a prescription and obtain these medicines from another veterinary surgeon or pharmacy.

Your veterinary surgeon may prescribe POM Vs only for animals under his care.

A prescription may not be appropriate if your animal is an in-patient or if immediate treatment is necessary.

You will be informed, on request, of the price of any medicine that may be prescribed for your animal.

The general policy of this practice is to re-assess an animal requiring repeat prescriptions every 3-4 months, but this may vary with individual circumstances. The standard charge for a re-examination is £27.00.

The current prices for the ten POM Vs most commonly prescribed are displayed in the client information folder.

Further information on the prices of medicines is available on request.
